The Applicant understands:

1. That this financing is a loan and must be repaid on the dates and amounts set out in the loan documents.
2. That the Applicant declares that the information reported in this document is true and complete. The Applicant acknowledges that Rainy Lake Tribal Area Business and Financial Services Corporation will be relying on the information in considering this and future applications for financing. If untrue or incomplete information is provided Rainy Lake Tribal Area Business and Financial Services Corporation may at its discretion, decline a loan application or if the loan has already been granted it may cease disbursement of the funds and demand the full repayment of the loan proceeds already disbursed.
3. That the Applicant consents to Rainy Lake Tribal Area Business and Financial Services Corporation making enquiries including obtaining personal, business and corporate information from such persons, firms, corporations, government authorities, institutions or agencies as it deems necessary in order to reach a decision on the credit worthiness of the loan proposal.
4. That the Applicant's business is operating in agreement with all environmental legislation,
5. That the Applicant holds all the necessary permits and licenses required by law for the proposed project
6. That the Applicant consents to the Rainy Lake Tribal Area Business and Financial Services Corporation exchanging information with other financial institutions or financial partners regarding the loan application or the future administration of the loan. Failure of the Applicants to provide such consent will prevent Rainy Lake Tribal Area Business and Financial Services Corporation from considering the loan application.
7. That if financial assistance is authorized, the Applicant agrees that Rainy Lake Tribal Area Business and Financial Services Corporation may make a public announcement related to the project.
8. That all personal information collected will be used exclusively for the purpose of determining credit worthiness and will be stored and protected pursuant to the Privacy Act.
